Transcriber's Office

February 10, 1999 LB 514

PRESIDENT MAURSTAD: Senator Bromm, if you would yield. I would also like to ask members to please lower their conversations or take them off the floor, please. Senator Bromm.

SENATOR BROMM: Yes, Mr. President.

SENATOR BOHLKE: Senator Bromm, I assume that you're opposed to the bracket motion. If...if we would remove Section 2 and then advance it to Select File without that and you would continue, you and the committee would continue to come to some agreement on an amendment that would meet the concerns some of us articulated, would you consider that...that possibility?

SENATOR BROMM: Senator Bohlke, I went to the opponents of this section before Senator Chambers started talking about his bracket motion and I offered to do that. I offered to pull Section 2, if they would work in good faith with me to see if we could find any solution, and I also asked them not to beat up on the Legislature for dealing with this subject in the manner in which we are trying to deal with it, and the answer I got was, yes, we will do that in good faith, but I have no control over the bracket motion. I've talked with Senator Chambers, I told him what I wanted to do. My light is next and that's what I want to do but we have to get to it.

SENATOR BOHLKE: Thank you. Senator Chambers, would you yield, please.

PRESIDENT MAURSTAD: Senator Chambers, would you yield to a question.

SENATOR CHAMBERS: Only to Senator Bohlke, and I don't want anybody else to get any ideas simply because I am a cupcake this morning for Senator Bohlke.

PRESIDENT MAURSTAD: Was that a yes?

SENATOR CHAMBERS: Yes.

SENATOR BOHLKE: Senator Chambers,...

SENATOR CHAMBERS: Yes.
